Membership Terms and Conditions

The Theme Park is open every day except on Mondays. **(Unless the day falls on a public holiday)**

The theme park opens from **2pm – 9pm** on weekdays and from **10am – 9pm** on weekends.

Membership grants the registered holder's admission to the **Hakuna Matata Theme Park** and use of all available rides, slides, pools, nursery, bounces and attractions on any regularly scheduled operating day of the season for which it was issued (unless restricted by conditions that could ultimately prohibit someone from riding safely, including but not limited to height, weight, age, physical limitations such as pregnancy and heart conditions, or observed inappropriate behavior).

In order to gain entry to the Hakuna Matata Theme Park, a membership card, with a photo of the Passholder taken during processing, must be displayed and validated at the park turnstiles.

Any attempt to gain admission using a membership card by a guest to whom the pass was not originally issued will result in immediate confiscation of the pass without refund.

Each visit is subject to applicable park rules and restrictions which are subject to change by the park management at any time in its sole discretion.

A membership card is required for admission at all times. If a membership card is lost or stolen, the card can be replaced for a fee of **30,000 Naira** (only at the park, so that we can de-activate the lost one and re-issue a new one with a different barcode).
